## Appreciative Leadership Development Program<sup>©</sup>

Are you ready to grow your leadership potential?  
Discover and plan your path forward in the Appreciative Leadership Development Program<sup>©</sup>!

This 4-day program is for and about you: how you develop and use your leadership skills and how you bring out the best in those around you. It gives you space, time and support to mobilize your own creative potential – along with the insight, skill and confidence to unleash positive power among those you lead.

In our retreat-like setting you will:

- ✓ Discover and build upon your leadership strengths and skills through an Appreciative Inquiry-based 360° feedback, one-on-one coaching and personal reflection
- ✓ Discover the leadership benefits of inquiry, inclusion and integrity
- ✓ Learn how to illuminate and inspire the best of people and situations

*"Appreciative Leadership is the relational capacity to mobilize creative potential and turn it into positive power – to set in motion positive ripples of confidence, energy, enthusiasm, and performance – to make a positive difference in the world."*

*Appreciative Leadership  
Whitney, Trosten-Bloom and Rader, 2010*

You will be introduced to and experience five core appreciative leadership strategies: **inquiry** into strengths, values and positive possibilities; **inclusion** of others in co-creating the future; **illumination** of the best of people and situations; **inspiring** hope for the future; and demonstrating relational **integrity**.

Now is the time to affirm your leadership, appreciate the results you have achieved, and commit to the positive future that awaits you.
